§ 271.8

Federal share of the State agency's administrative costs for the affected month(s). If, after receiving such a warning, a State agency does not comply with a directive to reduce, suspend or cancel allotments, FNS may cancel 100 percent of the Federal share of the State agency's administrative costs for the affected month(s).

(2) If FNS ascertains after warning a State agency as provided in paragraph (h)(1) of this section, that the State agency does not plan to comply with a directive to reduce, suspend or cancel allotments, a court injunction may be sought to compel compliance.

(3) If a State agency fails to reduce, suspend or cancel allotments as directed, FNS will bill the State agency for all over issuances that result. If a State agency fails to remit the billed amount to FNS within a prescribed period of time the funds will be recovered through offsets against the Federal share of the State agency's administrative costs, or any other means available under law.

§ 272.1 General terms and conditions.

(a) *Coupons do not reduce benefits.* The coupon allotment provided any eligible household shall not be considered income or resources for any purpose under any Federal, State, or local laws including, but not limited to, laws on taxation, welfare, and public assistance programs. No participating State or political subdivision shall decrease any assistance otherwise provided an individual or individuals because of the receipt of a coupon allotment.

(b) *No sales taxes on food stamp purchases.* (1) A State shall not participate in the Food Stamp Program if State or local sales taxes or other taxes or fees, including but not limited to excise taxes, are collected within the State on purchases made with food stamp coupons. “Purchases made with food coupons” for purposes of this provision shall refer to purchases of “eligible foods” as defined in § 271.2. Where the total value of groceries being bought by the recipient is larger than the amount of coupons being presented by the recipient, only the portion of the sale made in exchange for food stamps must be exempt from taxation in order for a State to satisfy the requirements of this provision. Although a food stamp recipient may use a combination of cash and food stamps in making a food purchase, only the dollar amount represented by the food coupons needs to be exempt from taxation.

(2) State and/or local law shall not permit the imposition of tax on food paid for with coupons. FNS may terminate the issuance of coupons and disallow administrative funds otherwise payable pursuant to part 277 in any State where such taxes are charged. Action to disallow administrative funds shall be taken in accordance with the procedures set forth in § 276.4.

(3) A State or local area which taxes some, but not all, eligible food items shall ensure that retail food stores in that locale sequence purchases of eligible foods paid for with a combination
